

Prophetic Words for 2017

1. I see a great dividing line. The line is drawn indeed, sitting on the fence will no longer be allowed. People who profess Lord only in their mouth will be exposed; there will be notable deaths and remarkable departures.
2. This is the year that the line is being drawn, those who have chosen me before anything, I'll be their buckler, shield and protection, says the Lord
3. LightHill: You will begin to experience a new realm of my visitation in tangible ways, physical representation of my movement, things you can hang on to, manifesting of angels, feathers, thing you can hold on.
4. There will be wars, rumors of wars, there will be a display of military power such that the world has never seen before, tell the people that they must enter into the presence of God. Do not engage in this until I tell you to engage. Your primary manner of engagement is to go on your knees and pray.
5. This is a year where many nations will try to create alliances. I see like two puzzle piece trying to come together, nations trying to make policies and deals together, but one nation is melting the other, these are alliances that the Lord do not approve of, that will look like a win. There will be negotiation looking like a wins, but it's destruction. Pray for America!! Who calls a deal that I have not ordained, who speak of alliances that I have not ordered? It will set in motion great shift of power, unless the beloved prays, this nation is going to fall back on

its knees again to irrelevance. In this alliance, one nation is acidic and eating up the other nation, this alliance is not right and it's going to destroy even the one seeking the other. Pray for America, it's not about this unholy alliance, I have called this nation a nation of givers, as a nation that protects and provides. Pray for this nation not to walk away from its calling for a fly shall rise to significance but it will be an instrument of damage.

6. There will be massive shakeup in government, even the shakeup, because it is not motivated by love, it will not stand. Many errors will be committed, by the government that will make this nation vulnerable, beloved you need to rise up. In the midst of darkness, a holy fire will arise, the prayers of the saint. There will be a great revival. Pray for my revival.
7. I see massive gold, being locked up that will be melted. It is the resources of America, but a policy is going to come even to melt up that gold, to plunder the nation. This alliance is going to plunder America beyond what it is right now. A policy is going to come up which will let this gold be melted. I see an individual trying to melt the resources of this country into a selfish pocket, yet I will raise my deliverer from the mud.
8. I see bullet flying around. I see trade in arms deals. I see bullet dressed in white packages and being transacted. Pray this nation will not go back to war. I see major activities of the Red Cross even across the nation. Pray for God's mercies.
9. **An urgent need for prayer:** Beloved you need to pray. Pray that America will not implode, for a tiger from the East will try to take over. The Asian tiger from the East will try to take over but it comes with a lot of darkness. Yet people will be fed a lot of lies. It is the duty of the church and the believers to pray. I see this Asian tiger has a lot of red, orange, white, black colors. Around it is a lot of darkness, I

see this Asian tiger, wherever it goes it devours, it turns fertile lands to desert.

Believers must pray that this nation will not be handed over even to the enemies.

10. For the harvest is ripe, stay focused for the work at hand, speak my word to my people. Declare the acceptable year of deliverance, breakthrough, manifested increase, the year of grace and judgment, I will be merciful to those who are contrite in heart, for those who have made a mockery of my calling, they will reap judgment, for the cup of many is full. Speak even to the men of God to the minister of gospel, to rectify their ways, to make their ways right, for I come soon and my reward is with me.
11. For those who have abused my grace, the judgment which they have created, they will begin to reap. This year is the year of exceeding grace, yet exceeding judgment. I will be merciful to as many as called upon my name. Tell my people to honor my name to reverence my name, enough of the mockery. Tell my people, this is serious, let him that has ears, let him hear what the spirit is saying to the church, for I come soon and my reward is with me and I will bless, and I will make ways for those who are seeking me. This is not a year of mediocrity, not a year of half in half out. My spirit will be released on as many as are willing, with accurate precision. My words will be released with precision to uproot the seat of injustice in the land. I will uproot the seat of injustice in the land.
12. For as many who are oppressed, they shall become restless, and break off the yoke of oppression, right now, they are having a love affair with oppression. Oppression does not let go, you have to fight and disown operation, to let go of oppression. You cannot continue this romance with oppression. Become restless and break off the yoke of oppression and slavery from off thy neck through deep prayers.

13. And for those who have misrepresented me, who have said there is peace when there is no peace, suddenly shall destruction come upon them. Those who have exchanged my word for a morsel of bread, not just in declaration, but also in not living the word, the secret of real success is becoming one with the word. For in my word, I have laid out plans to make you prosperous, to have great understanding, to have wealth, but my people have decided to cherry pick whatever they want instead of embracing me, the Word. For you to be successful, to have the success you desire, you must become one with my word, you have to be one with you. John 15, "I am the vine, you are the branch", You cannot flourish without me if you are detached from the branch, so therefore, jettison all mediocrity, let go all mediocrity and take the word seriously with a childlike faith. **Pray the word, stand on the word, drink the word, eat the word, shower with the word, let nothing proceed from your mouth without the word.**

14. For a star of deception shall rise from the East. Warn my people, pray for America to not fall prey to the star of deception that rises from the East. For it is like a black hole that sucks in all the resources of my people. Stand in the gap to pray for the nation. For an imposter lion will rise up but it is merely a cat, it is not a true lion, it is not the lion of the tribe of Judah, green with envy against my people who will come with great deception, even to deceive. **Arise in prayer, create a network of 5 to stand in prayer and pray for grace, mercy. The solid entity of 5, pray. For people who will stand in the gap. This multiple networks of 5 will arise even across the nation, a small group of 5 to intercede for the nation, to ask for mercy and grace, a cell of 5 to intercede for this nation.**

15. For our Lord is one God, oh Israel, This is going be a year that I will bring establishment to the nation of Israel. NO longer shall the nation of Israel will be a tenant on the land, I will bring establishments to the nation of Israel and I will eliminate all her foes, one after the other. Why would you then the hidden rage against the Lord and His anointed? For the Lord will laugh at your downfall because you have taken counsel against the Lord.
16. Tell my people; my house is not a house of comedy. Why would you turn the principles of the kingdom to a laughing stock, why would you reduce the principles of the kingdom into a laughing stock? Do you not see the deception? Arise and leave your vomit, and be cleansed and make your way right for I am coming for a church who is ready. For this is a year where groups of people who will come together and seek my name will experience me indeed for that is the plan and pattern from the beginning even to start pockets of revival amongst group of people that will spread like wild fire across the nation and across the world.
17. Pray for Singapore. That the believers will not go into a time of hiding. And a king that did not know Joseph came to power.
